PRESIDENT'S MESSAGE

March is going to be a busy month with Brunswick Stew, St. Patrick's Day Party, Brainminders, and Bear workshop. If you are able to help with any of these it will be greatly appreciated. Your contributions and time have been the key to our successful projects and fundraising.

We have a great speaker scheduled for our March meeting. He was the speaker at the District Convention last April. Gary Edwards is with the Lynn Foundation that promotes wearing helmets to protect the Brain.

Look forward to seeing you at our Pilot functions.
